

Event Overview

Travel back where Adventure began in The Norway Loft. Norwegian Artifacts are displayed against a backdrop of architectural design and form that pre-dates the time where viking sailed the seas.

A cocktail reception in the Northern Lights Room is an excellent way to start the evening – then it's on to the Fjord Room for a delicious dinner.

Entertainment

Throughout your event, Guests will mix and mingle to the relaxing sounds of a Jazz Trio or a professional Pianist at the baby grand piano. Two magical Trolls may stop by to add a light-hearted touch to your Norwegian experience and a special appearance by Viking *Goofy* dressed in Norwegian attire will add that Disney magic to your event.

Food and Beverage

Choose from one of our existing special menu packages, or work with Disney's award-winning culinary team to create a customized menu that will provide your Guests with an unforgettable dining experience.

Beverage service is also available in a package that is sure to fit your needs, whether it's beer and wine or a full premium brands bar with specialty drinks or liqueur, you're sure to find something for everyone!

Event Finale

The finale of the evening takes your Guests outside to their exclusive dessert party in a viewing area overlooking the World Showcase Lagoon. Here, they are in an ideal location to enjoy world-class desserts as they experience the premier nighttime spectacular at **Epcot®**, *IllumiNations: Reflections of Earth*. This one of a kind show tells its story and touches the spirit by combining video technology, water fountains, lasers, special lighting effects, and pyrotechnics, all programmed to an original musical score – creating the perfect finish to your **Epcot®** adventure.
